General information for visa applicants

Applying for a visa

Visa application forms are available on the Department's website and many applications can be lodged online. Details about how to apply are included in the information about the particular visa you wish to apply for. A list of visas is available on the Department's website: https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder

Health and character requirements

All visa applicants must be assessed against Australia's health and character requirements. These requirements are designed to protect the safety and security of the Australian community.

Health requirements

As part of the visa application process you may be required to undertake a medical examination, chest x-ray and/or other health checks.

The Department will advise you of the applicable health checks (if any), based on your individual circumstances. Information on health checks which may apply to you is available on the Department's website: https://immi.homeaffairs.gov.au/help-support/meeting-our-requirements/health

Character requirements

As part of your visa application, you might be required to provide a police clearance certificate or other evidence to satisfy character requirements. Information about character requirements and police certificate requirements is available on the Department's website: https://immi.homeaffairs.gov.au/help-support/meeting-our-requirements/character

Requirements for applicants under 18 years of age

Visa applicants who are under 18 years of age may be required to satisfy additional criteria to ensure that their interests are protected and that Australia meets its international obligations in relation to minors.

Information about documents that may be required for persons younger than 18 years of age is available on the Department's website. Please refer to the following forms listed on the Department's website: https://immi.homeaffairs.gov.au/form-listing/forms/1229.pdf

You must comply with your visa validity and visa conditions while in Australia.
